

Request for a Confidential Communication (Ask to Receive Your Healthcare Information at Another Address)

Complete this form to:

- Ask to get mail or phone calls at locations other than your home (also known as a "confidential communication"),
- Change or remove a prior confidential communication request, or
- Ask to get your protected health information (PHI) in a different way.

This request applies only to communications related to services provided by **OptumRx Home Delivery Pharmacy**. We will accommodate reasonable requests. Please complete each section below. Forms submitted with incomplete information, insufficient legal authority, or signed by the incorrect individual may be denied or result in processing delays.

Call customer service at the telephone number located on your health or pharmacy benefit plan ID card to:

- Request an initial confidential communication verbally
- Update general account information, including standard address and phone number changes (you can also update your contact information using your online account at www.optumrx.com)
- Opt-out of communications
- Ask questions about this form

Once a confidential communication is in place, we will send written materials to the alternative address and/or call you at the alternative phone number you supplied. We will continue to use this alternative contact information until you tell us not to in writing; you will not be able to update your information through the usual enrollment/eligibility process and you must submit a change or revoke request via this form.

For assistance redirecting healthcare information not managed by OptumRx or updating the address or phone number on file with your plan, contact that entity directly.

Submitting a Request on Behalf of Another Individual

Please have the **member** sign and submit the request if:

- 1. you are not the legal representative, OR
- 2. the individual is 12 or older, and the records may relate to sensitive health information, such as mental health, substance use, HIV/AIDs, STD, pregnancy, or reproductive health.

If you qualify as a legal representative, you are required to attach supporting documentation:

- Power of attorney, Court Order, or another valid document
- HIPAA authorizations do not establish legal authority and are not sufficient to submit a request through this process
